30' **Introduction**

After watching an introductory Video (30 min.) participants learn about the largest refugee movements to Austria since the Second World War and consider the reasons for it.

reasons for that

ADDITIONAL INFORMATION

Group setting

00:30
30' **Learning activity I**

On moderation cards, participants write down at least 3 reasons they can think of that could make themselves flee from their

home country and pin it down on the board. Then, in a group setting, all cards on the board are clustered, according to the different motives to flee. This will take half an hour, including finding of different motives.
