| | |
|--------------------------|----------------------|
| PART 2 – 1,5 hour | 10:00 – 11:30 |
|--------------------------|----------------------|

- * Objectives of today's meeting
 - Active citizenship and entrepreneurship of young people
 - Solidarity projects - Štěpánka Motejlová, how the project We create our world was created, why, what did you learn thanks to the project, caused some change?
- in triplets:
 - ♣ An example of when I helped or was involved in civic activities
 - ♣ An example of when I was helped
 - ♣ What bothers me in society
 - ♣ Where I am involved
 - ♣ Where I would like to get actively involved - what area I am interested in
- * Work in 2 working groups for 30 minutes - the language of young people
 - First, introduce and explain what we are talking about
 - Create 2-3 working groups to write or otherwise make available the topic in their own language: We need to speak to young people in their language

| | |
