VOLUNTEERING MATTERS

Ice Breaker: which Social Media sites do you use and why?

Have a think about the websites that you use on a daily basis and tell the group what you like about it and why.

Introduction to online safety

- Some people don't always know how to stay safe online.
- Because of the impact of Covid-19, we're all having to stay in contact with our friends and families over the internet.
- The aims of this workshop is to educate everyone around the internet and how to stay safe online!
