

TIME	TITLE	DESCRIPTION	ADDITIONAL INFO
00:00 10'	Introduction- What is the European Union?	In the introduction, the facilitator asks the participants what do they associate with the European Union. After that, the facilitator gives a brief overview of the origins of the EU and its values.	
00:10 10'	Opportunities for youth	The facilitator presents youth opportunities created by the European Union and mechanisms that facilitate mobility.	The youth opportunities can be connected / linked to mobility, but also the local community. The facilitator should know the possibilities/opportunities? of the Erasmus + program, the European Solidarity Corps, etc. The mechanisms that facilitate the youth mobility as well as the mobility of the entire population are "European roaming" and facilitated border crossings (valjda je tako) through the European Union, the Schengen area in particular.
00:20 15'	Teamwork - youth mobility	The facilitator divides the youth into several groups, and each group deals with a specific mobility opportunity such as youth exchanges, internships, or long-term volunteering work/ several months of volunteering.	The teams are using the internet and other sources in order to research and look for the answers to general questions related to their topic, examples of good practices, and to develop views/attitudes.
00:35 15'	Presentation of the teamworks' result	After returning from the teams to the "mainspace", the representatives present their topic, share theoretical items, also their thoughts on the subject, and their desire to seize opportunities.	
00:50 15'	Teamwork - youth in the local community	The facilitator divides the youth into several groups, and each group deals with a specific opportunity "from home", such as local initiatives of the European Solidarity Corps, Europass, etc.	The teams are using the internet and other sources to research and look for the answers to general questions related to their topic, examples of good practices, and to develop views/attitudes.
01:05 15'	Presentation of the teamworks' result	After returning from the teams to the "mainspace", representatives present their topic, share theoretical items, also their thoughts on the subject, and their desire to seize opportunities.	
01:20 10'	Good practices of seizing the opportunities	The facilitator applies good practices, which were mentioned by the participants, in his / her final report, but he/she also adds some of his / her good practices prepared before the training.	The facilitator should research examples of good practices of the European Union, preferably those that have been applied in his/her local community and are related to youth mobility, or the use of EU funds, which are intended for young people, in the local community.
01:30 5'	Conclusion	A brief evaluation of the entire training, feedback from participants and facilitator
